Greece: Few civilizations have left such a mark on our modern world. From the grand architecture, the philosophical discoveries and their widely-known mythology, Ancient Greece laid the foundation for much of our culture today. During our spectacular trip through the Ancient Greece, experience first-hand the wars and battlefields that led to the rise of this influential civilization.

Experience the Marathon and Salamis battlefields, two legendary battles fought during the Greek-Persian wars during 490 and 480 BC. The Greeks were, ultimately, victorious and their civilization preserved, giving the world incredible cultural contributions such as democracy, classical architecture, sculpture, theatre and the Olympic Games. For Greece, however, the victory not only guaranteed the freedom from foreign rule but also permitted, soon after, an astonishingly rich period of artistic and cultural endeavors.

While in Athens, visit the Athens War Museum and delve into the Peloponnesian War fought between Athens and its empire and the Peloponnesian League led by Sparta from 431 to 404 BC. Take a step back in time to experience the Sanctuary of Poseidon at Sounion, one of the most important sanctuaries in Attica. And, don't forget the Acropolis Museum, home to nearly 4000 artifacts ranging from the Greek Bronze Age to Roman and Byzantine Greece, found on the archaeological site of the Acropolis of Athens.

Your chariot awaits you!

late antiquity. It is considered one of the **greatest museums in the world** and contains the richest collection of artifacts from Greek antiquity worldwide.

Day 3

Breakfast, lunch & dinner included

Good morning Greece! Today after breakfast, we'll discover the historical side of Athens - the capitol, political and cultural center of Greece. We'll embark on a full-day guided tour to explore the **Acropolis** and the **Acropolis Museum**, have lunch in Plaka and explore the oldest part of the city, followed by visits to ancient **Agora** and the **Agora Archaeological Museum**. We'll also have an opportunity to visit the **Poseidon Temple** and the **Superior Court of Ancient Greece** (Areios Pagos).

This evening we'll enjoy a traditional Greek tavern dinner in Athens.

Day 4

Breakfast, lunch & dinner included

Rise and shine Athens! After breakfast, we're off on a full-day tour to the **Delphi Archaeological site** and museum, plus the **Battlefield of Marathon**. Delphi is the ancient sanctuary that grew rich as the seat of the oracle (a person considered to provide insightful counsel of the future, inspired by the gods). The Oracle was consulted on important decisions throughout the ancient classical world; hence Delphi was considered the 'navel of the world' by the Greeks as represented by the **Omphalos**. Delphi is thought to be the most important ancient oracle where all the city-states visited to take constitutions about their political actions and decisions concerning the Battles. Marathon is the area where the ancient Greek army decisively defeated the Persians and stopped their invasion into Greece and consequently into Europe.

This evening we'll have a local dinner with free time to explore. Get ready for amazing Greek food!

Day 5

Breakfast, lunch & dinner included

Good morning Greece! Today we'll have a full day tour to **Ancient Corinth**. We'll see the **Corinth Canal** - the ancient channel site and the **Ancient Corinth Museum**. We'll see the distant view of the straits between the mainland and the island of **Salamis**, where the famous naval battle between the Greeks and the Persians took place and where the Greek navy crashed off the Persian coast. A number of historians believe that a Persian victory would have hamstrung the development of Ancient Greece, and by extension western civilization, and this has led them to argue that Salamis is one of the most significant battles in human history.

In the same glorious spot, nowadays is the largest naval base in Greece.

This evening we'll have another fabulous Greek dinner followed by an evening of **Greek Mythology & Storytelling**.

Day 6

Breakfast, lunch & dinner included

Rise and shine Athens! After breakfast, we'll set off to explore **Classical Greece**. We'll have a full-day tour to the ancient theatre of Epidaurus and the lovely seaside city of Nafplio.

The **Epidaurus Theatre** is one of the most important ancient sites in Greece, with an almost perfectly preserved Amphitheatre built 2,500 years ago and still hosting Greek dramas today. This World Heritage site is located at the eastern end of the Peloponnese, and according to Greek mythology, Epidaurus was the birthplace of **Asclepius**, the god of healing and son of **Apollo**. The site later became one of the most important centers of healing in the ancient world and by the 4th century BC, the sick traveled from far and wide to seek medical and mystical cures at the sanctuary dedicated to Asclepius.

Nafplio is overlooked by the **Palamidi & Akronafplia Castle** on the hill which runs down to the sea, gathering the historic buildings on its way. A testimony to Nafplio's beauty and strategic location is that the Venetians

made it the capital of their lands in Greece. There are fabulous surrounding areas, vistas, views and tiny villages to venture towards and explore!

This evening we'll have a local dinner.

Day 7

Breakfast & dinner included; lunch on own

Good morning Greece! After breakfast, we're off to tour the ancient site of **Eleusis** and its museum, famous for the **Eleusinian Mysteries** and secret religious ceremonies. Initiations were held every year for the **cult of Demeter and Persephone** based at Eleusis in ancient Greece. They are the most famous of the secret religious rites of ancient Greece. Eleusis is also the birthplace of **Aeschylus**, an ancient Greek tragedian and often described as 'The father of tragedy.'

In the afternoon, we'll have free time to continue to explore Athens on our own. If you would like to include a specific group activity or transportation, simply let us know and we can determine associated costs on your behalf. Maybe a chance to see an **Olive Oil production house** and learn more about this incredible fruit?

This evening, we'll get our hands moving with a **Greek Food Cooking Class**. Get ready to dive in and cook up something great for dinner!

We'll start to understand the background of the warrior from this time period and the courage and passion needed in the battlefields as he was fighting to protect and defend altars and families.

Later we'll visit the **Parliament of the first world's Democracy**, or so said; followed by viewing of a **WWII battleship** and an incredible replica of an **ancient trireme**.

This evening, we'll have a farewell dinner followed by an evening of **Greek Dancing!**

Day 10
